TOP TEN REASONS WHY YOU SHOULD CHOOSE CAMP PENNBROOK:

10. LIFETIME OF CAMPING EXPERIENCE

Most of our head counselors, group leaders, specialists, and many senior counselors have been working together for many years. They bring continuity to the program, and are in touch with many of our campers during the year. Their comraderie is unsurpassed in camping. Most staff members are former campers who had "grown up" with us.

9. PERSONAL ATTENTION / FAMILY OWNED

We own and direct the camp ourselves, and have vested interest in the camp and your daughter. This is our ONLY location. We do not spread ourselves out running several locations or businesses where the owner is not on site full time.

8. REAL FOOD, REAL RESULTS

Our meal plan is based on the U.S. Dept of Agriculture's "My Plate". We offer three meals a day and daily afternoon and evening snacks.

7. A "REAL" CAMP, WITH MODERN, STATE OF THE ART FACILITIES

Parents and campers deserve top notch facilities for the amount of money that it costs to go to camp. We do not have older, rustic facilities. We encourage you to visit the camps you are considering and compare our facilities with any other camp! Most of our indoor buildings including the Studen Union Multi Purpose Center, and Lecture Hall and Theatre are fully air conditioned for your additional comfort, and making our facilities 100% weatherproof. We do not require constant maintenance and repairs (no broken toilets, overcrowding in wooden cabins, insect problems, fuses blowing constantly, etc.). We have campfires, hikes to nearby lakes, bunknights and much more!

6. SEPARATE PROGRAMS FOR EACH AGE GROUP

Your daughter will be living in a two or three person room, and will only be participating with girls of similar age and grade. The camp's program is divided into different age ranges – Flappers – ages 8-11; Teens – ages 12-13; Debs – ages 14-15; Seniors – ages 16-17; Young Adults – ages 18 and over. Each division has its own unit leader who designs the program according to each group's special needs. **FIRST YEAR CAMPERS AND THEIR PARENTS WILL RECEIVE SPECIAL ATTENTION!**

5. ACCESSIBILITY

We want to meet you! We are situated close to the New York, and Philadelphia metropolitan areas, where many of our campers reside. We can visit you at your home (at no obligation); you can visit the campsite by appointment; or you can attend one of our "Open Houses". It is important to develop a relationship with your camp family before the commencement of camp! References available in almost every major city.

4. AFFORDABLE TUITION!

Our costs go into the areas that benefit your daughter such as program and menu development and research, and qualified and dedicated staff. We do not own camp property with high maintenance and upkeep costs; we do not have huge offices and staffs with big administrative expenses. Our personal involvement and "hands on" approach enables us to offer you a quality program for less.

3. YOUR DEPOSIT IS REFUNDABLE UP TO MAY 15TH

We recognize the sacrifice that you are making in these economic times to improve your daughter's health and self esteem. We hope that she attends our program, but should you need to cancel for any reason; your deposit will be fully refunded up until May 15th.

2. OUR PROGRAM WORKS!

Our weight loss program has been tested extensively by people who have spent many years working at weight loss camps with overweight children. We are sensitive to your daughters needs. Our program is designed not only to help your daughter lose weight, but to help her maintain her weight loss by learning to eat nutritionally correct foods. The program will last a lifetime! Our one on one nutritional counseling will provide your daughter with the tools she needs to return home motivated to stay on the program. Our staff makes monthly follow up calls after camp. In addition to losing pounds and inches, she will look better, and feel better about herself!
