### 2023 SEASON

Dear Parents & Prospective Campers

Thank you for your interest in Camp Pennbrook This will be our 41st year directing camps and are situated on the beautiful campus of Delaware Valley University in Doylestown, PA (Bucks County). Here, our campers are assured a great summer at a state of the art campus , while improving their health, wellness, fitness and learning good nutritional habits. It is our pleasure to enclose our brochure and other exciting information about our camp.

We have been directing speciality camps since 1978. Most of our key staff, head counselors, group leaders and specialists have been with our camp family for many years. Both parents and campers enjoy the many advantages of an all girls camp and are very comfortable with our supportive environment in a secluded setting.

We operate only one location, which is close to New York, New Jersey, Pennsylvania, Maryland, D.C. and Virginia. Our emphasis is always on fun in a non-competitive atmosphere. Every camper has the opportunity to participate in all of our activities, regardless of her level of skill. Campers even have a free period each day to choose whichever activities they like.

Our campus is safe and secure with 24 hour security. We are also in compliance with all Covid 19 protocols and procedures as outlined by the American Camp Association, and local governmental and health agencies. We focus on fun activities team building, boosting self-esteem, and introducing your daughter to realistic activities that she will continue participating in when returning home.

We are more than just a camp focusing on wellness, health, nutrition and fitness. Our special events, evening activities and trips are better than any other camp. This year we are planning trips to 2 Broadway shows, shopping in New York City and much more. Last year our campers had a chance to see "The Music Man" starring Hugh Jackman and "Six".

Campers receive three meals and two snacks daily, and take advantage of our unique rap sessions and one on one nutrition sessions. They even get to design their own menus to take home. We take the time to get to know all of our campers personally. We encourage and motivate our campers during the summer, and after camp our counselors call the girls on a regular basis.

Enrollment at Camp Pennbrook is limited. Call us today to get in on the action or you may enroll by phone, fax 212-354-2658 or online. Your \$500 deposit is fully refundable up until June 1st and there are no cancellation or processing fees.

We look forward to hearing from you.

Sincerely yours,

  
Flip Shulman  
Executive Director

P.S. Call now to request our free video.

P.P.S. Attend our Open Houses at camp on Sunday, April 16th or May 21st from 12 to 3pm or the day before the opening of the 6/16 or 6/24 camp sessions prior to opening day.
